Candidate Information Booklet

Applications are invited for the
position of:

**SENIOR ICT SPECIALIST
(HIGHER EXECUTIVE
OFFICER)**

in the
State Laboratory

Senior ICT Specialist (Higher Executive Officer) in the State Laboratory

The State Laboratory plays a critical role in protecting public health, supporting regulatory compliance, and upholding the integrity of Irish food, agriculture, and pharmaceutical sectors through rigorous scientific analysis. As a Higher Executive Officer (HEO), specialising in ICT, your work will underpin the smooth operation of the analytical chemistry function of the laboratory. Through supporting the scientific function, you will contribute to the Laboratory's mission by ensuring uninterrupted service, excellent virtual security and seamless operation of the organisation's ICT infrastructure.

Who we are looking for

We are looking for a technically strong ICT professional who takes ownership, keeps critical infrastructure running, and thinks seriously about security and resilience. The successful candidate will bring demonstrable, hands-on experience across network, virtualisation, cloud, and Microsoft environments, and should be comfortable acting as the senior technical escalation point for the organisation. The appointee will champion cybersecurity in practice, lead on complex infrastructure projects, manage vendor relationships, and support and coordinate staff where needed. Detection of patterns and recurring issues, identification and mitigation of risk, incident reporting, process improvement and change control are all core functions of the role. The successful candidate will combine good communication, clear thinking and a commitment to excellence.

Why consider a role in the State Laboratory?

Do you enjoy working in a scientific environment and supporting teams who deliver vital work for society? Are you motivated by the idea of contributing to world-class chemical analysis that protects consumers, prevents fraud, and safeguards public health? If you're looking for a meaningful career where your skills help enable excellence in a state-of-the-art laboratory setting, we encourage you to consider joining the State Laboratory.

We want you to be part of our team, where you will have ongoing opportunities to grow your capabilities and develop professionally in an organisation that truly values its people. Every staff member contributes directly to our vision: "Excellence in chemical analysis and innovation." The right candidate will be passionate about delivering a quality service at excellent value, to the highest of standards.

An online Information Session will take place on Tuesday 30th June at 1pm to provide further information on this position, and to give an insight into working with us in the State Laboratory.
For more information and to register, please visit our [website](#).

Laboratory Location

The State Laboratory is part of the Civil Service and has a staff of approximately 150 people who are mainly professional and technical. Situated at the Backweston Laboratory Campus on the Dublin/Kildare border. Serviced by the C4 and L58 Dublin Bus Routes, with a shuttle bus service facilitating nearby stations at Celbridge, Hazelhatch and Leixlip Louisa Bridge. Active transport is encouraged with ample shelter for bicycles as well as shower and changing facilities. Car parking is provided for staff who wish to drive. Facilities on campus include walking trails, a staff restaurant and an on-site crèche facility (subject to availability).

Culture

We want every staff member to play a full part in delivering on the Laboratory's goals, while doing so, developing and achieving their own potential. We have a culture of high performance and continuous improvement. This encourages high levels of staff engagement and personal development. We value our staff and recognise the importance of employee well-being, work-life balance, fairness and inclusion in the workplace.

Equality, Diversity and Inclusion

The State Laboratory is an equal opportunities employer. The State Laboratory is committed to championing an inclusive and diverse workforce that reflects modern Ireland and the people we serve. We strive to foster a culture where all staff have equal access to opportunity and feel comfortable and confident to be themselves at work. Reasonable accommodations will be provided to candidates, if required during the recruitment process. To discuss and request reasonable accommodations in confidence please contact the State Laboratory's Disability Liaison Officer, Ms. Margaret Harney at margaret.harney@statelab.ie or (01) 5057046.

Work-life Balance Policy

The State Laboratory has many flexible and family-friendly working policies which include flexi-time, shorter working year, part-time working, career breaks and a blended working policy. It is envisaged that remote working will be an option for this position with up to 2 days per week, on an ad hoc basis. A fixed remote working pattern cannot be accommodated.

Learning and Development

We are committed to providing ongoing learning and development opportunities so that staff can develop to their full potential. Our staff have full access to the Civil Service digital learning platform OneLearning, can avail of the central Refund of Fees Scheme and are actively encouraged and supported to focus on continuous learning and professional development, throughout their careers.

Role of Senior ICT Specialist (Higher Executive Officer) at the State Laboratory

The successful candidate will work as a member of the ICT Section to support and develop the existing infrastructure, applications and cybersecurity practices to achieve goals, targets and standards as set out in the ICT Strategy and wider organisational plans. The appointee will report into the ICT Section Manager (Assistant Principal).

The Senior ICT Specialist role is both technical and business-orientated. The candidate must demonstrate strong technical capabilities, the ability to lead assigned technical work, exercise sound judgement and contribute to the delivery of ICT projects and service improvements. The role requires a proactive approach to operational issues to ensure minimal disruption to the organisation's core business functions. The Senior ICT Specialist will also act as a technical escalation point and support the coordination of staff responsible for providing endpoint and application support across the organisation.

This is an exciting opportunity for anyone seeking to develop their career in ICT as the role encompasses all elements of a modern enterprise ICT environment while also focusing on continuous development and innovation.

Training and support for technical and professional development will be provided in line with the ICT Section learning and development plan.

The key responsibilities and deliverables associated with this position are:

- Support and maintain ICT services comprising network, storage, compute, virtualisation, endpoint and cloud services.
- Support and maintain core systems and applications including firewalls, switches, virtual Windows server infrastructure, Exchange, MS Teams and Microsoft 365 services.
- Support Windows endpoints and end-user applications.
- Act as a technical escalation point for infrastructure, application, endpoint and cybersecurity issues.
- Perform infrastructure incident management, escalation and response.
- Monitor ICT services and support capacity planning, alerting and administration procedures.
- Support patching, upgrade and change control activities in line with agreed ICT procedures and cybersecurity requirements.
- Manage the organisation's backup and recovery solution.
- Contribute to business continuity, disaster recovery and resilience planning and testing.
- Champion security best practices, taking a lead role in security applications including endpoint protection, mail filters, web filters and firewalls.
- Assist the ICT Manager in the development and execution of the Cybersecurity Strategy.
- Participate in complex infrastructure projects as a senior technical contributor.
- Liaise with and support the management of third-party vendors and support providers, including procurement support, supplier engagement and review of service delivery where required.
- Support the development and maintenance of technical documentation, procedures and standards.
- Coordinate, support and review assigned work of ICT support staff where required.
- Identify service risks, recurring issues and improvement opportunities and make practical recommendations to the ICT Section Manager.
- Carry out such other duties appropriate to the grade as may be assigned by the ICT Section Manager.

Essential Requirements, Qualifications and Experience

Given the technical nature of the role to be filled, you must have a **relevant qualification** which is matched with experience appropriate to this Senior ICT Specialist role. It is up to you to make sure that your CV showcases the experience you have gained so far.

Accordingly, you must, on or before Thursday, 16th July 2026 meet one of the following sets of criteria:

OR

Hold a major award qualification of at least Level 6, or higher, on the National Framework of Qualifications (NFQ) in a relevant computing or computational discipline, for example: an NFQ Level 6 qualification from a Post Leaving Cert Course at an ETB, or the FIT Tech Apprenticeship **and** at least 5 years directly relevant* hands-on ICT networks and cyber security experience from your employment to date.

OR

Have achieved **at least two** industry-recognised certifications one of which **must** be in an area relevant to this role (see page 5 for a range of examples) **and** at least 5 years directly relevant* hands-on ICT networks and cyber security experience from your employment to date.

*Examples of relevant experience should be appropriate to the role and include, but are **not limited to**, areas such as networking or cyber security solution implementation, configuration and support/ administration including WAN/ LAN, enterprise firewalls and perimeter defence infrastructure, and penetration testing.

During this recruitment process, candidates must be able to demonstrate:

- Achievements, from their career to date, of where/ how they have delivered ICT/ digital solutions, or any elements thereof, to the benefit of the business of their organisation in the area of networks and cyber security;
- That they can provide effective leadership, to a team of ICT, digital and business specialists ensuring a focus on continuous improvement and service delivery;
- Leadership skills in an ICT environment in their career to date;
- Initiative with a proactive approach to the introduction of ICT-based digital solutions;
- Excellent communication skills and be comfortable working as part of and at times leading a team or project group;
- Strong analytical thinking, leadership, communication and networking skills;
- A clear ability to organise and prioritise work tasks in a busy work environment which is characterised by competing demands from a range of different work areas.

The successful candidate must be able to demonstrate the Key Competencies identified for effective performance in this role (see Appendix 1).

Relevant Industry Certifications

Vendor-based certifications in the telecommunications, networking and cyber arena, considered relevant and appropriate for candidates for this recruitment competition, which **should have been achieved in the past 5 years**, at intermediate level, or above, include **but are not limited to**:

- Cisco (CCNA/ CCDA or higher), HPE and Aruba, Juniper, Brocade, Check Point, Citrix, Microsoft (e.g. MTA, MCP, Microsoft 365 Certified, Microsoft Azure), Palo Alto, Fortinet, IAM, DBA, Security, Data Centre, etc.;
- Operating systems (incl. Microsoft Windows operating systems, Linux, desktop and mobile);
- Amazon Web Services (AWS), Google, IBM and Microsoft Azure cloud technologies, Virtualisation (VMWare, HyperV, etc.);
- Other frameworks, methodologies and industry recognised certifications such as: CompTIA (e.g. N+, S+), CISSP, CITA, COBIT, ISAQB TOGAF, Agile, DevOps, IASA, ISTQB, CSDP, ITIL, Lean Six Sigma, etc.

Other Industry-based certifications, **which can be combined** with a relevant telecommunications, networking and cyber arena certification, could include any of:

- Service management – e.g. ITIL, foundation level or above;
- Project management – e.g. Prince and PMI, foundation level or above;
- Knowledge domain-specific awards such as the Special Purpose Award in Business Analysis at Level 8 on the NFQ.

Required Skills and Behaviours

- Be well organised and practical, with a logical, analytical and structured approach to problem solving.
- Strong technical knowledge across ICT infrastructure, networks, servers, endpoints, applications and cybersecurity controls.
- Ability to work independently with appropriate initiative while also contributing effectively in a team-oriented and collaborative environment.
- Sound judgement and ability to recognise, prioritise and escalate operational, security and service risks.
- Ability to manage competing demands, contribute to projects and meet agreed deadlines in a busy ICT environment.
- Ability to allocate, monitor and review assigned work and support colleagues in achieving agreed outcomes.
- Ability to communicate technical issues clearly to technical and non-technical audiences.
- Ability to act as an effective link between ICT staff, users, suppliers and management.
- Ability to follow agreed procedures, maintain appropriate documentation and operate within governance, security and change-control requirements.
- A strong customer service ethos and commitment to responsive, reliable and professional ICT support.
- Ability to identify service improvement opportunities and make practical recommendations.
- Commitment to public service values, confidentiality, professionalism and high-quality service delivery.

Please Note

Attendance at courses, without completion of an appropriately assessed examination and validated qualification, will **not** be considered as valid qualifications. It is your responsibility to provide details of the level of certification you have achieved and demonstrate how these align with the requirements set out here, i.e. the requirement for intermediate level, or higher, certification and in particular, details of the recognised assessment body issuing the certification/qualification.

Qualifications/eligibility may not be confirmed until the final stage of the process, therefore, those candidates who do not possess the essential requirements, on or by the dates as specified, and proceed with their application are putting themselves to unnecessary effort/expense and will not be offered a position from this competition. **Please be aware a transcript of results may be required; therefore, the onus is on candidates to have this information available if requested by the State Laboratory.**

The onus is on the candidate to ensure they fulfil the eligibility requirements as set out. The State Laboratory reserves the right to deem an applicant ineligible at any stage if it is apparent that the candidate does not hold the required eligibility/qualifications e.g. from the submitted application form. Candidates who are unable to demonstrate that they hold/will hold the required qualification(s) by the deadline specified may be withdrawn from the competition at any stage. An invitation to tests, interview or any element of the selection process is not acceptance of eligibility.

Application, Competition Processes and Panel

Application process

All candidates should visit <https://www.statelaboratoryjobs.com> for details of how to apply. There will also be a link to the online application portal. This portal is hosted by our external recruitment service provider, Sigmar Recruitment, and will allow eligible candidates to apply for this competition.

Please see Appendix 2 for information on how to apply via Sigmar Recruitment.

Candidates are asked to provide a succinct CV outlining their knowledge, qualifications and experience that demonstrate their suitability for the role of Senior ICT Specialist (HEO). This should include:

- Personal information such as name, contact details etc.;
- Career History;
- Academic, Professional or Technical Qualifications;
- Details of any ongoing Continuous Professional Development;

Their CV will form part of the assessment process where, subject to numbers applying, shortlisting will be applied prior to inviting candidates for interview.

Please take care when completing your application and ensure that you include all relevant details.

Competition Process

At interview, candidates will be asked to demonstrate their competence in the following disciplines:

- Team Leadership;
- Judgement, Analysis & Decision Making;
- Management & Delivery of Results;
- Interpersonal and Communication Skills;
- Specialist Knowledge, Expertise and self-development;
- Drive & Commitment to Public Service Values

If the numbers applying are such that it would not be practical to interview all applicants, it may be necessary to shortlist only those that appear most suitable for the role of Senior ICT Specialist (HEO) based on the CV submitted. Where shortlisting is required the assessment process will include an assessment of candidates on the basis of the information contained in their application.

The interview will be competency-based and you will be required to provide specific examples of past or current experiences where you have demonstrated the skills and competencies required for the role of Senior ICT Specialist (HEO). These skills and competencies will be thoroughly examined at interview in order to determine suitability for the role. The same competencies and skill areas will be explored with all candidates. You may, at interview, be asked for additional examples of where you demonstrated the competencies and skills required for the role of Senior ICT Specialist (HEO).

Please Note

Your application and performance at interview may also be considered in the context of assessing communication skills.

Candidates called for interview must make themselves available on the date specified by Sigmar Recruitment Consultants Ltd. It will not be possible to accommodate requests for date or time changes.

Competition rules

Availability and Admission

During the selection process, the onus is on all candidates to make themselves available on the date(s) specified by the State Laboratory and to make whatever arrangements are necessary to ensure that they receive communications sent to them at their contact details specified on their application form. Should their contact details change at any time during the competition or duration of the panel they must contact either the State Laboratory or Sigmar Recruitment by email notifying them of the change and providing the new details. Sigmar Recruitment can be contacted at publicsector@sigmar.ie and the State Laboratory can be contacted at Margaret.harney@statelab.ie

The State Laboratory will not be responsible for refunding any expenses incurred by candidates.

The admission of a person to a competition, or invitation to attend interview or a successful result letter, is not to be taken as implying that the State Laboratory is satisfied that such a person fulfils the requirements or is not disqualified by law from holding this position.

Prior to recommending any candidate for appointment from this competition, the State Laboratory will make such enquiries that are deemed necessary to determine the suitability of that candidate. Until all stages of the recruitment process have been fully completed, a final determination cannot be made, nor can it be deemed or inferred that such a determination has been made.

Canvassing

Canvassing will disqualify candidates and will result in exclusion from the process. Candidates must not:

- Knowingly or recklessly provide false information
- Canvass any person with or without inducements.
- Impersonate a candidate at any stage of the process.
- Interfere with or compromise the process in any way.

In line with the Obligations of Candidates as set out in part 5, section 54-56 of the Public Service Management (Recruitments & Appointments) Act 2004 any person who contravenes the above provisions or who assists another person contravening the above provisions is guilty of an offence.

A person who is found guilty of an offence is liable to a fine and/or imprisonment. In addition, where a person found guilty of an offence was or is a candidate at a recruitment process, then:

- A candidate who has not been appointed to a post will be disqualified as a candidate.

AND

- Where a candidate has been appointed subsequent to the recruitment process in question, they will forfeit that appointment.

See link to Service Management (Recruitments & Appointments) Act 2004
<https://www.irishstatutebook.ie/eli/2004/act/33/enacted/en/print>

Deeming of candidature to be withdrawn

Candidates who do not attend interview when and where required by the State Laboratory, or who do not, when requested, furnish such evidence, as the State Laboratory require in regard any matter relevant to their candidature, will have no further claim to consideration.

Use of recording Equipment

The State Laboratory does not allow the unsanctioned use of any type of recording on its premises or any location where interviews take place, for example video interviews, teleconference. This applies to any form of sound recordings and any type of still picture or video recording, whether including sound recording or not, any form, and covers any type of device for these purposes. Any person wishing to use such equipment for any of these purposes must seek written permission in advance. The policy is in place to protect the privacy of staff and candidates/clients and the integrity of our assessment material and assessment processes.

Unsanctioned use of recording equipment by any person is a breach of this policy. Any candidate involved in such a breach could be disqualified from the competition and could be subject to prosecution under section 55 of the Public Service Management (Recruitment & Appointments) Act, 2004.

<https://www.irishstatutebook.ie/eli/2004/act/33/enacted/en/print>

Appointments from the Panel

Following completion of the Final Interviews, a panel will be established in order of merit. It is envisaged that one appointment will be made initially to the post of Senior ICT Specialist (HEO).

Appointments will be offered in order of merit and should a candidate refuse an offer from the State Laboratory they will be removed from the panel and will receive no further offers for the duration of the panel.

1. Security Clearance

You will be required to complete and return a Garda eVetting form should you come under consideration for appointment. This form will be forwarded to An Garda Síochána for security checks on all Irish and Northern Irish addresses at which you resided.

However, should your application for the competition be unsuccessful this form will be destroyed. If you subsequently come under consideration for another position, you may therefore be required to complete a further Garda Vetting Form.

If you have resided / studied in countries outside of the Republic of Ireland for a period of 6 months or more, it is **mandatory** for you to furnish a **Police Clearance Certificate** from those countries stating that you have no convictions recorded against you while residing there. You will need to provide a separate **Police Clearance Certificate for each country you have resided in**. Clearance must be dated after the date you left the country.

Candidates should be aware that if they come under consideration for a post their information will be shared with the Public Appointments Service in order to facilitate the vetting process. The Public Appointments Service has no involvement in the running or decision-making process of this competition but are facilitating the State Laboratory with the Garda Vetting process and will forward the results to the State Laboratory.

It is YOUR responsibility to seek security clearances in a timely fashion as they can take some time. You cannot be appointed without this information being provided and being in order.

2. Codes of Practice

The recruitment and selection process for appointment to these positions will be conducted in accordance with the Code of Practice for “Appointment to Positions in the Civil Service and Public Service” published by the Commission for Public Service Appointments (CPSA). The Code of Practice reflects the following core principles:

- Probity
- Appointments Made on Merit
- An Appointments Process in Line with Best Practice
- A Fair Appointments Process Applied with Consistency
- Appointments Made in an Open, Accountable and Transparent Manner

Candidates are advised to familiarise themselves with the contents of the Code of Practice including, amongst other things, the provisions in relation to the responsibilities placed on candidates who participate in the recruitment and selection process. The Code of Practice may be accessed by visiting www.cpsa.ie.

2.1 Complaints and Requests for Review

Complaints/requests for review will be considered by the State Laboratory in accordance with the procedures set out in Sections 7 and 8 in the Code of Practice. Such complaints/reviews should be addressed to the State Chemist, Backweston Campus, Young’s Cross, Celbridge, Co. Kildare. Where possible, the State Laboratory will attempt to initially deal with such matters informally as provided for in Sections 7 and 8.

2.2 Procedures where a candidate seeks a review of a Decision taken in relation to their application

A request for review may be taken by a candidate should they be dissatisfied with an action or decision taken by the State Laboratory.

The State Laboratory will consider requests for review in accordance with the provisions of Section 7 of the Code of Practice Appointments to Positions in the Civil and Public Service published by the Commission for Public Service Appointments (CPSA). When making a request for a review, the candidate must support their request by outlining the facts they believe show that the action taken or decision reached was wrong. A request for review may be refused if the candidate cannot support their request.

The Commission recommends that, subject to the agreement of the candidate, where the office holder (in this instance the State Chemist) considers the matter could be resolved they should first seek to engage on an informal basis, before making use of the formal review procedure.

2.3 Procedure for Informal Review

- A request for Informal Review must be made within 5 working days of notification of the decision and should normally take place between the candidate and a representative of the State Laboratory who had played a key role in the selection process.
- Where the decision being conveyed relates to an interim stage of a selection process, the request for

informal review must be received within 2 working days of the date of receipt of the decision.

- Where a candidate remains dissatisfied following any such informal discussion, he/she may adopt the formal procedures set out below.
- If the candidate wishes the matter to be dealt with by way of a formal review, he/she must do so within 2 working days of the notification of the outcome of the informal review.

2.4 Procedure for Formal Review of Selection Process

- The candidate must address his/her concerns in relation to the process in writing to the State Chemist, outlining the facts that they believe show an action taken or decision reached was wrong.
- A request for review must be made within 10 working days of the notification of the selection decision. Where the decision relates to an interim stage of a selection process, the request for review must be received within 4 working days.
- Any extension of these time limits will only be granted in the most exceptional of circumstances and will be at the sole discretion of the State Chemist.
- The outcome must generally be notified to the candidate within 25 working days of receipt of the request for review.

2.5 Complaints Process

A candidate may believe there was a breach of the Commission's Code of Practice by the State Laboratory that may have compromised the integrity of the decision reached in the appointment process. The complaints process enables candidates (or potential candidates) to make a complaint under Section 8 to the Secretary General, Department of Public Expenditure and Reform in the first instance and to the Commission for Public Service Appointments subsequently on appeal if they remain dissatisfied.

Allegations of a breach of the Code of Practice should be addressed in writing, and within a reasonable timeframe, to the State Chemist in the first instance. The complainant must outline the facts that they believe show that the process followed was wrong. The complainant must also identify the aspect of the Code they believe has been infringed and enclose any relevant documentation that may support the allegation. A complaint may be dismissed if they the complainant cannot support their allegations by

setting out how the State Laboratory has fallen short of the principles of this Code.

On receipt of a complaint the State Laboratory may determine to engage with the complainant on an informal basis.

For further information on the above procedures please see the Code of Practice Appointments to Positions in the Civil and Public Service which is available on the website of the Commission for Public Service Appointments, www.cpsa.ie

3. Eligibility to compete and certain restrictions on eligibility

Citizenship Requirement

Eligible candidates must be:

- (a) A citizen of the European Economic Area (EEA). The EEA consists of the Member States of the European Union, Iceland, Liechtenstein and Norway; or
- (b) A citizen of the United Kingdom (UK); or
- (c) A citizen of Switzerland pursuant to the agreement between the EU and Switzerland on the free movement of persons; or
- (d) A non-EEA citizen who has a Stamp 4² permission: or Stamp 5 permission

² Please note that a 50 TEU permission, which is a replacement for Stamp 4EUFAM after Brexit, is acceptable as a Stamp 4 equivalent.

To qualify candidates must meet one of the citizenship criteria above by the date of any job offer.

3.1 Collective Agreement: Redundancy Payments to Public Servants

The Department of Public Expenditure and Reform letter dated 28th June 2012 to Personnel Officers introduced, with effect from 1st June 2012, a Collective Agreement which had been reached between the Department of Public Expenditure and Reform and the Public Services Committee of the ICTU in relation to ex-gratia Redundancy Payments to Public Servants. It is a condition of the Collective Agreement that persons availing of the agreement will not be eligible for re-employment in the Public Service by any Public Service body (as defined by the Financial Emergency Measures in the Public Interest Acts 2009 – 2011) for a period of 2 years from termination of the employment. People who

availed of this scheme and who may be successful in this competition will have to prove their eligibility (expiry of period of non-eligibility).

3.2 Incentivised Scheme for Early Retirement (ISER)

It is a condition of the Incentivised Scheme for Early Retirement (ISER) as set out in Department of Finance Circular 12/09 that retirees, under that Scheme, are debarred from applying for another position in the same employment or the same sector. Therefore, such retirees may not apply for this position.

3.3 Department of Health and Children Circular (7/2010)

The Department of Health Circular 7/2010 dated 1 November 2010 introduced a Targeted Voluntary Early Retirement (VER) Scheme and Voluntary Redundancy Schemes (VRS). It is a condition of the VER scheme that persons availing of the scheme will not be eligible for re-employment in the public health sector or in the wider public service or in a body wholly or mainly funded from public moneys. The same prohibition on re-employment applies under the VRS, except that the prohibition is for a period of 7 years. People who availed of the VER scheme are not eligible to compete in this competition. People who availed of the VRS scheme and who may be successful in this competition will have to prove their eligibility (expiry of period of non-eligibility).

3.4 Department of Environment, Community & Local Government (Circular Letter LG(P) 06/2013)

The Department of Environment, Community & Local Government Circular Letter LG(P) 06/2013 introduced a Voluntary Redundancy Scheme for Local Authorities. In accordance with the terms of the *Collective Agreement: Redundancy Payments to Public Servants* dated 28 June 2012 as detailed above, it is a specific condition of that VER Scheme that persons will not be eligible for re-employment in any Public Service body [as defined by the Financial Emergency Measures in the Public Interest Acts 2009 – 2011 and the Public Service Pensions (Single Scheme and Other Provisions) Act 2012] for a period of 2 years from their date of departure under this Scheme. Thereafter, the consent of the Minister for Public Expenditure and Reform will be required prior to re-employment. These conditions also apply in

the case of engagement/employment on a contract for service basis (either as a contractor or as an employee of a contractor).

3.5 Declaration

Applicants will be required to declare whether they have previously availed of a Public Service scheme of incentivised early retirement. Applicants will also be required to declare any entitlements to a Public Service pension benefit (in payment or preserved) from any other Public Service employment and/or where they have received a payment-in-lieu in respect of service in any Public Service employment

3.6 Employer of Choice

As an Employer of Choice the Civil Service has many flexible and family friendly policies e.g. Worksharing, Shorter Working Year, Remote Working (operated on a ‘blended’ basis) etc. All elective policies can be applied for in accordance with the relevant statutory provisions and are subject to the business needs of the organisation.

The Civil Service also operates a Mobility scheme for all general service grades. This scheme provides staff with career opportunities to learn and partake in diverse roles across a range of Civil Service organisations and geographical locations.

4. Principal Conditions of Service

4.1 General

The appointment is subject to the Civil Service Regulations Acts 1956 to 2005 and the Public Service Management (Recruitment and Appointments) Act 2004 and any other Act for the time being in force relating to the Civil Service.

4.2 Starting salary & Payment arrangements

The salary scale for the position (rates effective from 1st June 2026) is as follows:
Higher Executive Officer Standard Scale (Personal Pension Contribution) Salary Scale:

Point 1	Point 2	Point 3	Point 4	Point 5
€60,029	€61,785	€63,537	€65,286	€67,044
Point 6	Point 7*	Point 8**	Point 9***	
€68,792	€70,547	€73,077	€76,546	
*Point 7 NMAX **Point 8 LSI 1 ***Point 9 LSI 2				

The PPC pay rate applies when the individual is required to pay a Personal Pension Contribution (otherwise known as a main scheme contribution) in accordance with the rules of their main/personal superannuation scheme. This is different to a contribution in respect of membership of a Spouses' and Children's scheme, or the Additional Superannuation Contributions (ASC).

A different rate will apply where the appointee is not required to make a Personal Pension Contribution.

Long service increments may be payable after 3 (LSI 1) and 6 (LSI 2) years satisfactory service at the maximum of the scale.

Starting salary and Payment arrangements

Candidates should note that entry will be at the minimum of the scale and the rate of remuneration, including incremental progression, will not be subject to negotiation and may be adjusted from time to time in line with Government pay policy.

Payment will be made fortnightly in arrears by Electronic Fund Transfer (EFT) into a bank account of an officer's choice. Payment cannot be made until a bank account number and bank sort code has been supplied to the State Laboratory. Statutory deductions from salary will be made as appropriate.

Important note: Different terms and conditions may apply if immediately prior to appointment the appointee is already a serving Civil or Public Servant.

You will agree that any overpayment of salary, allowances, or expenses will be repaid by you in accordance with Circular 07/2018: Recovery of Salary, Allowances, and Expenses Overpayments made to Staff Members/Former Staff Members/Pensioners.

4.3 Tenure and Probation

The appointment is to a permanent position in the Laboratory and by extension, the Civil Service, and will be subject to a probationary period.

The probationary contract will be for a period of one year from the date of appointment. Notwithstanding this paragraph and the paragraph immediately following below, this will not preclude an extension of the probationary contract in appropriate circumstances.

During the period of the probationary contract, an officer's performance will be subject to review by the appropriate supervisor(s) to determine whether the officer:

- (i) has performed in a satisfactory manner
- (ii) has been satisfactory in general conduct, and
- (iii) is suitable from the viewpoint of health with particular regard to sick leave.

Prior to completion of the probationary contract a decision will be made as to whether or not the officer will be retained pursuant to Section 5A(2) of the Civil Service Regulation Acts 1956-2005. This decision will be based on the appointee's performance assessed against the criteria set out in (i) to (iii) above. The details of the probationary process will be explained to the officer by the State Laboratory on commencement of employment.

Notwithstanding the preceding paragraphs in this section, the probationary contract may be terminated at any time prior to the expiry of the term of the contract by either side in accordance with the Minimum Notice and Terms of Employment Acts, 1973 to 2005.

In the following circumstances your contract may be extended and your probation period suspended.

- The probationary period stands suspended when an employee is absent due to Maternity or Adoptive Leave.
- In relation to an employee absent on Parental Leave or Carers Leave, the employer may require probation to be suspended if the absence is not considered to be consistent with the continuation of the probation and
- Any other statutory provision providing that probation shall -
 - (i) stand suspended during an employee's absence from work, and

- (ii) be completed by the employee on the employees return from work after such absence.

Where probation is suspended the employer should notify the employee of the circumstances relating to the suspension.

All appointees will serve a one-year probationary period. If an appointee who fails to satisfy the conditions of probation has been a serving civil servant immediately prior to their appointment from this competition, the issue of reversion will normally arise. In the event of reversion, an officer will return to a vacancy in their former grade in their former Department.

4.4 Duties

The employee will be required to perform any duties appropriate to the position which may be assigned from time to time.

The officer may not engage in private practice or be connected with any outside business which would interfere with the performance of official duties or conflict with his/her role in the State Laboratory.

4.5 Location

The State Laboratory is based in Backweston Laboratory Complex, Young's Cross, Celbridge, Co. Kildare.
W23 VW2C.

When absent from home and headquarters on official duty, an officer will be paid appropriate travelling expenses and subsistence allowances, subject to normal Civil Service regulations.

4.6 Hours of attendance

Hours of attendance will be fixed from time to time but will amount to not less than 41 hours and 15 minutes gross or 35 hours net per week. The successful candidate will be required to work such additional hours from time to time as may be reasonable and necessary for the proper performance of his/her duties subject to the limits set down in the working time regulations. Candidates should note that hours of attendance may be adjusted from time to time in line with Government policy.

4.7 Annual Leave

In addition to the usual public holidays the annual leave entitlement for this role (based on a full-time role) is 29 days per year, rising to 30 days after 5 years' service.

4.8 Sick Leave

The rate of pay during properly certified sick absence, provided there is no evidence of permanent disability for service, will apply on a pro-rata basis, in accordance with the provisions of the sick leave circulars.

Officers who will be paying Class A rate of PRSI will be required to sign a mandate authorising the Department of Social Protection to pay any benefits due under the Social Welfare Acts direct to the State Laboratory. Payment during illness will be subject to the officer making the necessary claims for social insurance benefit to the Department of Social Protection within the required time limits.

4.9 Health

A candidate for and any person holding the office must be fully competent and capable of undertaking the duties attached to the office and be in a state of health such as would indicate a reasonable prospect of ability to render regular and efficient service.

4.10 The Organisation of Working Time Act 1997:

The terms of the Organisation of Working Time Act, 1997 will apply, where appropriate, to this appointment.

5 Secrecy, confidentiality and standards of behaviours

5.1 Official Secrecy and Integrity

The appointment will be subject to the provisions of the Official Secrets Act, 1963, as amended by the Freedom of Information Acts 2014. Successful candidates will agree not to disclose to unauthorised third parties any confidential information either during or subsequent to the period of employment

5.2 Civil Service Code of Standards & Behaviour

The officer will be subject to the Civil Service Code of Standards and Behaviour.

5.3 Ethics in Public Office Act

The Ethics in Public Office Acts 1995 to 2001 will apply, where appropriate, to this employment.

5.4 Prior approval of Publications

An officer will agree not to publish material related to his or her official duties without prior approval by the State Chemist.

5.5 Political activity

During the term of employment, the officer will be subject to the rules governing civil servants and politics.

5.6 Personnel Code

Further details and circulars regarding these terms and conditions can be found on the following web site gov.ie/circulars

6 Superannuation and Retirement

The successful candidate will be offered the appropriate superannuation terms and conditions as prevailing in the Civil Service at the time of being offered an appointment. In general, an appointee who has never worked in the Public Service will be offered appointment based on membership of the Single Public Service Pension Scheme (“Single Scheme”). Full details of the Scheme are at <https://singlepensionscheme.gov.ie/>

Where the appointee has worked in a pensionable (non-single scheme terms) public service job in the 26 weeks prior to appointment or is currently on a career break or special leave with/without pay different terms may apply. The pension entitlement of such appointees will be established in the context of their public service employment history.

Key provisions attaching to membership of the Single Scheme are as follows:

- Pensionable Age: The minimum age at which pension is payable is the same as the age of eligibility for the State Pension, currently 66.;
- Retirement Age: Scheme members must retire at the age of 70.
- Career average earnings are used to calculate benefits (a pension and lump sum amount accrue each year and are up-rated each year by reference to CPI.
- Post retirement pension increases are linked to CPI

6.1 Pension Abatement

If the appointee has previously been employed in the Civil or Public Service and is in receipt of a pension from the Civil or Public Service or where a Civil/Public Service pension comes into payment during his/her re-

employment that pension will be **subject to abatement** in accordance with Section 52 of the Public Service Pensions (Single Scheme and Other Provisions) Act 2012.

Please note: In applying for this position, you are acknowledging that you understand that the abatement provisions, where relevant, will apply. It is not envisaged that the employing Department/Office will support an application for an abatement waiver in respect of appointments to this position

However, if the appointee was previously employed in the Civil or Public Service and awarded a pension under voluntary early retirement arrangements (other than the Incentivised Scheme of Early Retirement (ISER, the Department of Health Circular 7/2010 VER/VRS or the Department of Environment, Community & Local Government Circular letter LG(P) 06/2013, which renders a person ineligible for the competition) the entitlement to that pension will cease with effect from the date of reappointment. Special arrangements will, however be made for the reckoning of previous service given by the appointee for the purpose of any future superannuation award for which the appointee may be eligible.

6.2 Department of Education and Skills Early Retirement Scheme for Teachers Circular 102/2007

The Department of Education and Skills introduced an Early Retirement Scheme for Teachers. It is a condition of the Early Retirement Scheme that with the exception of the situations set out in paragraphs 10.2 and 10.3 of the relevant circular documentation, and with those exceptions only, if a teacher accepts early retirement under Strands 1, 2 or 3 of this scheme and is subsequently employed in any capacity in any area of the public sector, payment of pension to that person under the scheme will immediately cease. Pension payments will, however, be resumed on the ceasing of such employment or on the person’s 60th birthday, whichever is the later, but on resumption, the pension will be based on the person’s actual reckonable service as a teacher (i.e. the added years previously granted will not be taken into account in the calculation of the pension payment).

6.3 Ill-Health Retirement

Please note any person who previously retired on ill health grounds under the terms of a superannuation scheme are required to declare, at the initial application phase, that they are in receipt of such a pension to the organisation administering the recruitment competition.

Applicants will be required to attend the CMO's office to assess their ability to provide regular and effective service taking account of the condition which qualified them for IHR.

Ill-health retirement from Civil Service

If successful in their application through the competition, the applicant should be aware of the following:

1. If deemed fit to provide regular and effective service and assigned to a post, their civil service ill-health pension ceases.
2. If the applicant subsequently fails to complete probation or decides to leave their assigned post, there can be no reversion to the civil service IHR status, nor reinstatement of the civil service IHR pension, that existed prior to the application nor is there an entitlement to same.
3. The applicant will become a member of the Single Public Service Pension Scheme (SPSPS) upon appointment if they have had a break in pensionable public/civil service of more than 26 weeks.

Appointment post ill-health retirement from Public Service

1. Where an individual has retired from a public service body his/her ill-health pension from that employment may be subject to review in accordance with the rules of ill-health retirement under that scheme.
2. If an applicant is successful, on appointment the applicant will be required to declare whether they are in receipt of a public service pension (ill-health or otherwise) and their public service pension may be subject to abatement.
3. The applicant will become a member of the Single Public Service Pension Scheme (SPSPS) upon appointment if they have had a break in pensionable public/civil service of more than 26 weeks.

Please note more detailed information in relation to pension implications for those in receipt of a civil or

public service ill-health pension is available [via this link](#) or upon request to the State Laboratory.

6.4 Pension Accrual

A 40-year limit on total service that can be counted towards pension where a person has been a member of more than one pre-existing public service pension scheme (i.e. non-Single Scheme) as per the 2012 Act shall apply. This 40-year limit is provided for in the Public Service Pensions (Single Scheme and Other Provisions) Act 2012. This may have implications for any appointee who has acquired pension rights in a previous public service employment.

6.5 Additional Superannuation Contribution

This appointment is subject to the Additional Superannuation Contribution (ASC) in accordance with the Public Service Pay and Pensions Act 2017. Note: ASC deductions are in addition to any pension contributions (main scheme and spouses' and children's contributions) required under the rules of your pension scheme.

For further information in relation to the Single Public Service Pension Scheme please see the following website:

www.singlepensionscheme.gov.ie

6.6 Disclosure of Information

All appointees will be required to disclose all information and sign a declaration relating to any prior public service employment in order to correctly determine their public service pension entitlement. For further information in relation to the Single Public Service Pension Scheme for Public Servants, please see the following website: <http://www.per.gov.ie/pensions>.

State Laboratory Privacy Notice for New Applicants

1. Identity and contact details of the data controller and data protection officer

The State Laboratory has created this data protection notice as the controller of potential employee's personal data to demonstrate our firm commitment to privacy and to inform potential employees about the information we collect and process in connection with your application. If you have any queries about this notice, please contact our Data Protection Officer Ellen McEvoy.

This notice sets out an explanation of what information about you we process, why we process your information, with whom your information is shared and a description of your rights with respect to your information.

2. What information does the organisation collect about the individual?

As your potential employer, we need to keep and process certain information about you for normal recruitment and selection purposes, to comply with our legal obligations and, where necessary, to protect our legitimate interests.

Personal data is normally obtained directly from you. In certain circumstances, it will, however, be necessary to obtain data from internal third parties, e.g. Chief Medical Officer.

The categories of personal data we process and the legal basis for doing so are set out in more detail in Point 7 of this notice.

3. How will the individual's information be used?

The information we hold and process will be used for the management and administration of the recruitment and selection process. We keep and use it to enable us to run this process effectively, lawfully and appropriately and to protect future employee's rights & interests. This includes using your information to enable us to manage the interview process, comply with legal obligations, pursue our legitimate interests and protect our legal position in the event of legal proceedings against the organisation.

The uses we make of each category of your personal data, together with the legal issues we rely on for those uses are set out in more detail in Point 7 in this notice.

4. What is the legal basis for processing personal data?

See Table at Point 7 in this notice.

5. Who receives the information outside of the organisation?

Your information may be disclosed to third parties where we are legally obliged to do so or where our recruitment and selection process requires or permits us to do so e.g. Chief Medical Officer.

More detailed information on how we share your personal data is set out in Point 7 of this notice. Sigmar Recruitment and the Public Appointments Service assist the State Laboratory with our recruitment and selection process.
